8. Defendants have registered, established or purchased, and maintained the Subject Domain Names. Upon information and belief, Defendants have engaged in fraudulent conduct with respect to the registration of the Subject Domain Names by providing false and/or misleading information to their various Registrars during the Registration process.

9. Defendants' Subject Domain Names and any other domain names used in connection with the sale of counterfeits bearing Abercrombie's trademarks are essential components of Defendants' counterfeiting and infringing activities. The Subject Domain Names themselves are the means by which Defendants further their counterfeiting scheme and cause harm to Abercrombie. Moreover, Defendants are using Abercrombie's famous name and trademarks to drive Internet consumer traffic to their websites operating under the Subject Domain Names, thereby creating and increasing the value of the Subject Domain Names at Abercrombie's expense.
